*Our History*

The Maryland Hispanic Coalition, Inc. launched the Montgomery Hispanic Gala in 2013. A fundraising initiative that was geared to assisting Latinos in financial need attain a higher level of education. In 2015, the scholarship opportunity was made available to all qualifying students from diverse communities throughout the State of Maryland. By 2018, the Gala had become Maryland's Marquee Hispanic Gala, thus, Maryland Hispanic Gala.

We are focused on our backyard. We are all about higher education and we document our work meticulously so that we are accountable to our investors, partners, key stakeholders, and the community. Our annual financial statements are open to the public.
